

BODEGA BENEGAS

'ATALIVA' MALBEC 2016

Like so many Malbecs, Ataliva is a big red wine, but unlike many, it doesn't finish sweet. There's enough structure to balance the fruit and ripeness and subtle earthy elements lend a welcome savory aspect. It's far more sophisticated, balanced and interesting than its price suggests.

Drink it with burgers on the grill or a hearty meat or pasta dish.
