'006' PINOT NOIR 2014

Bodega Aniello is a young winery located in the Upper Rio Negro Vallay of Patagonia (Argentina). It may be a new enterprise, but it ails from year-long experience and the objective of reviving the area's long-standing winemaking traditions. Pinot Noir grows well in this dry climate which is almost naturally 'organic'.

Aniello PN shows lovely aromas of red fruit with hints of roses and earthy minerals. Round tannins and a nice, clean finish. Best enjoyed with poultry or rich seafood dishes.
