

BRICCO DEI GUAZZI

PIEMONTE DOC ALBAROSSA 2015

100% Albarossa, a cross between the traditional Piedmontese varieties Barbera and Nebbiolo. The grape was conceived in 1938 to create a grape variety which united Nebbiolo's elegance and color with the freshness and drinkability of Barbera. Bricco dei Guazzi Albarossa is a deep, almost impenetrable, ruby red. Intense aromas of red berries, mixed with aromas of toasted coffee and of leather. Round and full-bodied on the palate, a great concentration of fruitiness bolstered by a tannic profile. Pleasantly fresh and tasty. Pairs well with charcuterie, boiled meat, stews, roasts, and ripe cheeses.
