

BRICCO DEI GUAZZI

GAVI DI GAVI 2015

Gavi is made with **100% cortese grapes** and takes the name from the town around which the grapes are grown. Gavi is one of the few white wines in Piedmont, a region well known for its red wines, but surely this takes a place of its own.

Floral notes on the nose with hints of melon and citrus. Fresh and lean on the palate with balanced acidity. It is ideal as an aperitif or when served with savory canapes and hors d'oeuvres. Also pairs well with delicate fish-based dishes.
