VALPOLICELLA RIPASSO DOC 2015

Valpolicella is one of the most important red wines in the Veneto area. Ripasso (literally 'repassed') is a beefed-up variation of Valpolicella: the wine undergoes a second fermentation on the pomace and skins left over from the Amarone production, resulting in deeper color, richer texture and more tannins. Full bodied and well balanced with hints of spices and sweet cherry flavors. Pairs well with rich first courses (risotto with porcini mushroom or rich pastas) red meats, game, and aged cheeses.
