GRIGNANO CHIANTI RUFINA RISERVA 'POGGIO GUALTIERI' 2016

“An intriguing nose of ripe blackberries with hints of lemon verbena, other fresh herbs and clay-like minerals. Medium-to full-bodied with a vault-like, fine-tannin structure that arches over the fruit. But it all pulls together again at the end to give an impressive, long and balanced finish. From organically grown grapes. Drink now.” - *J.S. (May 2021)*
