*"An intriguing nose of ripe blackberries with hints of lemon verbena, other fresh herbs and clay-like minerals. Medium-to full-bodied with a vault-like, fine-tannin structure that arches over the fruit. But it all pulls together again at the end to give an impressive, long and balanced finish. From organically grown grapes."*

-J.S.

Enjoy with roasted or grilled meats, hearty pastas, Tuscan-style appetizers, cold-cuts and aged cheeses.  
CERTIFIED ORGANIC.
