ILLUMINATI *MONTEPULCIANO D'ABRUZZO* *RISERVA ZANNA 2007*

90 points

"The 2007 Montepulciano d'Abruzzo Riserva Zanna is a selection from some of the estate's oldest vineyards that spends two years in oak. The 2007 reveals gorgeous detail and nuance along with the Illuminati's signature textured expression of fruit. Hints of tar, smoke and licorice add complexity as the fruit wraps around the palate on the long finish. Anticipated maturity: 2014-2022." - A.G. (June 2011)

"The Zanna is a Three Glass habitue' and may be the best Colline Teramane around. A classic Montepulciano from a lovely Abruzzo pergola planted over four decades ago. The '07 is even more layered, full and brimming with personality." - Italian Wines 2011 Book
