ILLUMINATI CONTROGUERRA ROSSO RISERVA 'LUMEN' 2010

“Lumen is one of Dino Illuminati’s best wines. The 2010 Controguerra Riserva Lumen is laced with pretty tones of dark fruit, dried blackberry, grilled spice and tobacco. The tobacco signature is very strong indeed. The wine boasts dark, velvety concentration with enormous richness and plushness. The blend is 70% Montepulciano and 30% Cabernet Sauvignon aged in oak barrique for 18 months. The wine should evolve nicely over the next five to ten years.” - *M.L. (Sept 2015)*

“(a blend of 70% Montepulciano and 30% Sauvignon Blanc; 14.5% alcohol): Inky ruby. Highly floral aromas (peony, iris, lavender) complicate red cherry and vanilla on the captivating nose. Flinty dark fruit flavors show a distinct saline edge and good acid lift. Finishes long but less creamy and rich than some past vintages. Aged for roughly 18 months in small oak barriques.” - *I.D. (May 2015)*
