CANTINE LUNAE BOSONI COLLI DI LUNI DOC VERMENTINO 'BLACK LABEL' 2015

"I raved about the 2014 vintage of this wine, Lunae Bosoni's flagship white made entirely from Vermentino. The 2015 is similarly stunning. Possibly the richest Vermentino I've ever had, it still retains lightness and vivacity with an invigorating zippy finish. The grapes for this wine come from their best vineyards, situated on hillsides, which allow excellent drainage and good sun exposure. It's an ideal choice for almost any seafood -- the wine's elegance would complement simply done sole and its persistence would even stand up to bluefish." - M.A. (Oct 2016)

"Lunae Bosoni is a rare case in Liguria's winegrowing scenario. The 150 growers, the winery's technical staff, and 15 hectares of its own vineyards guarantee Paolo Bosoni's operation can produce a major range both in number of labels and quantity of bottles produced, making this a benchmark in the Colli di Luni DOC zone. The main features of wines here are their clear aromatic exuberance and richness of fruit."

3 Bicchieri winner for 8 straight vintages: 2008-2009-2010-2011-2012-2013-2014 and 2015!
