# CANTINE LUNAE BOSONI COLLI DI LUNI DOC VERMENTINO 'BLACK LABEL' 2016

“The Bosoni family’s operation continues to grow, both in quality, already high, and in size, with the addition of a new one-hectare vineyard slated to albarola, at Ortonovo. As usual, grapes from the winery’s own holdings are supplemented by those 100-plus local growers, under the supervision of the winery’s technical staff. The growers have agreed to abolish the use of herbicides completely, introducing organic fertilizers and integrated pest management, and to harvest the grapes by hand, using crates. Summer 2015 also saw the commencement of work on the new vinification facility, a major project that is bound to bring benefits in terms of quality. **Once again the Vermentino Etichetta Nera took top honors.**”

“Sexy, sleek Vermentino; a selection of the best fruit from hillside vineyards in Liguria. Enticing grapefruit, orange blossom and yellow peach aromas. Great finesse and vibrant acidity; attractive upon release, even better two or three years later.” - Tom Hyland (Jan 2018)
