# CANTINE LUNAE BOSONI COLLI DI LUNI DOC VERMENTINO 'BLACK LABEL' 2017

“An intensely flavored example, this white features passion fruit, grapefruit and pine notes. Balanced and long, with lively acidity tying the elements together on the finish. Drink now through 2022.” - *B.S. (Nov 2018)*

“The “black label” 2017 Colli di Luni Vermentino Etichetta Nera offers more sophistication and depth compared to its “gray label” cousin. This wine is chiseled and direct with bright and lively fruit. There is a touch of reduction at first, but this blows off quickly and the bouquet opens very nicely. Some 55,000 bottles were made.” - *M.L. (Dec 2018)*

“The Bosoni family’s operation continues to grow, both in quality, already high, and in size, with the addition of a new one-hectare vineyard slated to albarola, at Ortonovo. As usual, grapes from the winery’s own holdings are supplemented by those 100-plus local growers, under the supervision of the winery’s technical staff. The growers have agreed to abolish the use of herbicides completely, introducing organic fertilizers and integrated pest management, and to harvest the grapes by hand, using crates. Work on the new vinification facility is almost completed, a major project that is bound to bring benefits in terms of quality. **Once again the Vermentino Etichetta Nera took top honors.**”

**3 Bicchieri winner for 10 consecutive vintages!**
