# CANTINE LUNAE BOSONI COLLI DI LUNI DOC VERMENTINO 'BLACK LABEL' 2018

"Both floral and mineral-infused, it's amazingly long and bright. It has enormous energy that persists into the finish and then some. It's one of the best Vermentinos I've ever had. The leap in quality is likely due to both a careful selection of grapes and a bit, but not too much, of skin maceration in the winery. On a personal note, usually, after I taste samples that have been sent to me, I give the remainder of the bottles to friends. Not this one. I drank it with our dinner of grilled swordfish in a robust tomato caper sauce. Gambero Rosso, one of Italy's most prominent wine reviewers, has awarded this wine tre bicchieri (three glasses), its highest ranking, 10 years in a row. **I'm betting this will be the 11th.**" - M.A. (July 2019)

"Sliced pineapple and citrus fruit with some green apples. Medium body. Lovely fruit and a clean finish. Subtle and very pretty." - J.S. (Nov 2019)

"This aromatic white exudes a core of passion fruit, accented by juniper, sage and thyme notes. Focused and persistent through the savory finish. Drink now through 2024." - B.S. (Nov 2019)

"The Bosoni family's operation continues to grow, both in quality, already high, and in size, with the addition of a new one-hectare vineyard planted to albarola, at Ortonovo. As usual, grapes from the winery's own holdings are supplemented by those 100-plus local growers, under the supervision of the winery's technical staff. The growers have agreed to abolish the use of herbicides completely, introducing organic fertilizers and integrated pest management, and to harvest the grapes by hand, using crates. Work on the new vinification facility is almost completed, a major project that is bound to bring benefits in terms of quality. **Once again the Vermentino Etichetta Nera took top honors.**"

**3 Bicchieri winner for 11 consecutive vintages!**
