CANTINE LUNAE BOSONI COLLI DI LUNI DOC VERMENTINO 'GREY LABEL' 2018

“Pungent aromas of sage, pine and juniper mingle with peach and grapefruit notes in this intense white. Mouthwatering, showing fine balance and a lingering aftertaste of wild herbs and grapefruit peel. Drink now through 2024.” - *B.S. (Nov 2019)*

Top Values: Italian whites \$25 or less

“This has a neat lemon and honeydew nose with a succulent, smooth, juicy edge that carries a fresh, minerally lemon finish.” - *J.S. (Nov 2019)*

“Lunae Bosoni, the largest winery in Liguria, shows that big can be beautiful. They make an exquisitely consistent line-up of Vermentino. Scents of wild herbs and spice leap from the glass of this one, their so-called entry level wine. Its clean and cutting nature enlivens the palate. A subtle touch of white pepper-like spice in the finish enhances its appeal. It’s a fantastic choice for summertime seafood, such as linguine bathed in a clam sauce.”

- *M.A. (July 2019)*
