CANTINE LUNAE BOSONI VERMENTINO COLLI DI LUNI DOC 'NUMERO CHIUSO' 2015

“This, Bosoni’s “number one,” is a limited production of 2,600 bottles from a single 20-hl barrel, where the wine rested on the lees for 14 months. The lees aging adds richness and roundness, which results in a different expression of Vermentino. Though still bright and refreshing, the wine’s suaveness mutes its vivacity a bit. Bosoni’s Numero Chiuso and their Cavagino complete a gorgeous quartet of Vermentino that offers something for everyone.” - *M.A. (July 2019)*

“This limited-production vermentino is made from grapes culled from hillside vineyards in eastern Liguria. Aged for 14 months in a single 2,000-liter cask, it’s a shy wine at first, but with exposure to air, it blossoms with scents of citrus and white petals. Notes of soft green herbs accent flavors of white grapefruit and nectarine, with a snap of green-apple skin adding punch to the finish.” *(Oct 2019)*
