

## MICHELE CASTELLANI

VALPOLICELLA 'RIPASSO' 2015

90

Wine Spectator — JULY 2017

“This mouthwatering red is medium-bodied and expressive, offering lightly chewy tannins and flavors of sun-dried cherry, strawberry preserves and star anise, with pleasing hints of herb and mineral on the finish.” A.N.

*Valpolicella Ripasso is also known as 'Baby Amarone' because it undergoes a special winemaking process in which the young Valpolicella wine is re-fermented on the Amarone skins, thus giving extra color, body and complexity. Ideal for red meat, rich pasta, spicy sausage, BBQ.*
