

**MONVIN  
CHARDONNAY  
VENETO IGP  
20 LITER KEY KEG SLIM**

100% Chardonnay, Un-Oaked  
Veneto IGP

Grapes undergo a light maceration. The must ferments with selected yeasts at controlled temperature. Aged in steel containers.

This un-oaked Chardonnay offers scents of white flowers and fruits such as peach and apple. Light straw yellow in color with greenish highlights. Its aroma is delicate and distinctive. Its flavor is delicate, dry and pleasantly acidic. It goes well with soups, seafood and also with soft and fresh cheeses.

Serve at 12°C/53°F

Contains Sulfites

**ABOUT THE WINERY**

MonVin is the indiscussed leader in the production of quality wine on tap. A huge experience in the wine on tap world, allow MonVin to constantly improve the quality of products and to select from a wide range of wines.

MonVin has implemented a severe traceability project that allows to retrace all the productive phases of our wine: from your glass right back to the vinification process. The technical staff, composed by seven enologists, constantly follows every production and KEG filling process. During the last 10 years MonVin has invested 10 million Euro in technological innovations, the company speaks highly of their patented products in the enological sector.

The Keg is the best device to conserve wine, because it doesn't come in touch with light and, most importantly, with air: it's like drinking from a freshly uncorked bottle, every time.
