

NATIV
FALANGHINA 2019

vinous

“Here I find a wonderfully fresh and zesty expression of Falanghina, as the Vico Riviera lifts from the glass with a display of crisp green apples and lime, complemented by yellow florals, with crushed stone minerality adding further depths. It sweeps across the palate with rich textures, delivering ripe orchard fruits, cooled and balanced by gentle acids. The finish is medium in length and clean, resonating on notes of pear with sweet inner florals, and just begging for another taste.” - EG. (May 2020)
