## **PIETRO RINALDI BAROLO DOCG 2015**

“Lots of dried chestnuts, hazelnuts, dried red cherries, orange peel and lemon zest. The medium-to full-bodied palate is quite subtle and restrained, but with plenty of drying tannins and spice undertones. Drink from 2021.”

“Aromas of red-skinned berry, rose petal and new leather shape the nose. The savory structured palate offers fleshy black cherry, raspberry jam, licorice and black pepper alongside fine-grained tannins and fresh acidity. Drink 2024–2032.” - K.O. (Sept 2020)
