— AUG 2016

"The 2010 Castel del Monte Aglianico Riserva Cappellaccio highlights the austerity and the slightly bitter qualities of the the powerhouse Aglianico grape. This is a beautiful wine with a great sense of depth and power that distinguishes it in a very positive way. Dark fruit nuances are followed by plum, blackberry jam and dried cherry. The wine boasts solid structure, a thick body and velvety consistency. Cappellaccio could be compared to wines sold at double this price." - M.L.
