RIVERA CHARDONNAY PRELUDIO N.1 2016

“This bottling was first produced in 1985 and was the first commercial Chardonnay made in Puglia. Over 30 years later, this is a solid representation of the variety, grown on the limestone hills of the Castel del Monte DOC. Fermented in stainless steel and aged in cement vats, this wine exudes ripeness struck against tense mineral sensations. Juicy peach and honeydew melon flavors are wrapped around a core of crushed rocks. This is silken in feel, yet balanced by driving acidity.” - *A.P.*
