TENIMENTI FAMIGLIA CAVALLERO BAROLO BUSSIA 2009

“This 2009 delivers its power with elegance, touching on woodland porcini scents before falling into the grip of tannins. The heat of the vintage comes across as tar in the sun, contrasted by that cool, forestry feel of the fruit. Overall, the wine is clean, rich and satisfying, a 2009 with strong ageing potential.” J.G. (Dec 2014)

“Aromas of leather, underbrush, ripe red berry and eucalyptus lead the nose on this structured wine. The delicious palate delivers juicy black cherry, crushed raspberry, baking spice and savory herb alongside big, chewy tannins. It ends on a succulent note. Drink 2016–2024.” - K.O. (3/1/2015)
