TENUTA SANT'ANNA PINOT GRIGIO 'CLASSICO' 2017

“Rarely does anyone have a “religious experience” over a glass of inexpensive Pinot Grigio, but with that acknowledged, there’s a reason why this whole product category has boomed over the past dozen years: These wines are clean and refreshing, as opposed to all those butterball Chardonnays that tasted like soup during summer and led to an anti-oak, anti-malolactic backlash. This shows citrus and green apple fruit flavors with a crisp, dry finish.”
