# TORRE ROSAZZA

## Colli Friuli Orientali DOC

### Friulano 2019

“Aromas of chamomile, pear, dried pineapple and citrus zest. It’s medium-bodied with crisp acidity and a waxy texture. Flavorful and weighty finish. Drink now.”- *J.S. (June 2021)*

“A lively, balanced white, showing a well-knit range of Anjou pear, tangerine and ground ginger flavors. A subtle streak of stony mineral gains momentum on the finish. Drink now through 2024.”

- *A.N. (April 2021)*

“Torre Rosazza is Tenuta di Genagricola’s leading producer (in Friuli, the group includes Poggiobello, Borgo Magredo and Tenuta Sant’Anna). One of the most beautiful regional producers, it’s headquartered in the 18th-century Palazzo de Marchi, which stands perched atop a hill, surrounded by two splendid, naturally terraced and perpetually sunny amphitheatres of vineyards. The results achieved are thanks to an outstanding and experienced staff, masterfully orchestrated by Enrico Raddi.

This year we tasted fewer wines than usual, but it was enough to confirm the consistent quality of both their whites and reds. The Friulano ‘19 stands out among their current, standard-label wines for its aromatic elegance and fragrant flavor. Tre Bicchieri.”
