TORRE ROSAZZA PINOT BIANCO 2014

“Aromas of fragrant spring blossom, orchard fruit, hazelnut and bread crust lead the nose on this refined white. The elegantly structured palate offers creamy yellow apple, lemon drop and mineral alongside crisp acidity that leaves a tangy finish.” - *K.O. (April 2016)*

‘Torre Rosazza is the top winery of Le Tenute di Genagricola, whose Friuli estates include POggio-bello and Borgo Magredo. The group bought this estate in 1979 and immediately began studying and zoning the 110 hectares of vineyards in order to understand the soil and climate features of each area, and thus identify the plots best suited to expressing the varietal characteristics of each grape according to aspect and geological properties. Two magnificent natural amphitheatre terraces surround the 18th-century Palazzo del Marchi where offices and cellar are located. Unanimous appreciation of the whole range confirms the sound quality of the estate’s wines. **This year, the favourite was the Pinot Bianco 2014 which earns Tre Bicchieri for its elegant aromas and soft palate.**”
