## TORRE ROSAZZA PINOT GRIGIO 2013

‘Torre Rosazza has to be considered one of the finest wineries in Friuli. The 18th century Palazzo de Marchi sits proudly atop a hill in the municipality of Manzano, and is home both to offices and cellars. It is surrounded by admirably located vineyards on two splendid, naturally-terraced amphitheaters enjoying permanent sunshine.

Torre Rosazza is the top winery on the Le Tenute di Genagricola portfolio, which has holdings in Veneto, Piedmont, Emilia Romagna and Lazio, while its properties in Friuli include Poggiobello, Borgo Magredo and Tenuta Sant’Anna. The greatest acclaim went to the **Pinot Grigio 2013** which stood out even in the finals for its intensely complex nose, reminiscent of elderberry blossom and russet pear with delightful background notes of pastries, but especially for its smooth, pleasurable palate.’
