<b>NOTES</b>	Terre di Prenzano is Vignamaggio's Chianti Classico 'Annata', that is at the base of the Chianti Classico pyramid of quality, requiring a minimum of 12 months of wood ageing.

#### TASTING NOTES

Terre di Prenzano is a single-vineyard, traditionally-made, all Sangiovese Chianti Classico from Vignamaggio.

Terre di Prenzano is a gorgeous wine and an even better value. It offers tart red cheery notes typical of Sangiovese, with a slight floral note. Medium-bodied and dry, with high acidity that makes it the perfect accompaniment to cold cut appetizers, pasta dishes, red meats and aged cheese.

#### ABOUT THE WINERY

Vignamaggio, one of Tuscany's oldest farming estates, is located in Greve, right in the heart of the Chianti Classico region. At the core of the estate is the Renaissance Villa surrounded by Italian-style gardens, rows of cypresses, vines and olive groves (30ha). The Villa was built in the 14th Century and became famous as the childhood home of the famous Monna Lisa Gherardini, the "Gioconda" painted by Leonardo da Vinci.

Throughout the centuries, the estate had several owners and went through extensive restoration and renovation of the gardens, the buildings but also the vineyards and the cellars. In the late 1980's the historic wine cellars, located below the villa, were equipped with state-of-the-art temperature-controlled stainless steel vats. In 2010, a new winemaking cellar was built directly opposite the villa and capacity expanded.

The vineyards, situated at an average altitude of 350mt asl and predominantly southwest and east facing, extend over 62 hectares and are in conversion to organic agriculture. Yearly production is approx. 300,000 bottles.
