CHIANTI CLASSICO DOCG  
"TERRE DI PRENZANO" 2014

wine review online

"Terre di Prenzano" is a traditionally-made, all-Sangiovese Chianti Classico from the Vignamaggio winery. Typical of Sangiovese, the key aroma and flavor is tart red cherry, with a slight floral note. The wine is medium-bodied and dry, with high acidity forming the spine of the wine's taste. Just a moderate amount of chalky tannin emerges along the sides and rear of your mouth as you savor the wine, but nicely concentrated, vibrant cherry and red berry notes dominate the taste impression. The 2014 Terre di Prenzano is a very authentic Chianti Classico." M.E.M. (Aug 2016)
