ILLUMINATI MONTEPULCIANO D'ABRUZZO RISERVA ILICO 2018

“This Riserva, made from a selection of the best Montepulciano grapes, is real step up from this house’s other, entry-level releases: there’s much more going on here. Not bigger or bolder, it’s just broader and more layered. The tannins are more refined, giving it a glossier texture. Though this nicely balanced wine displays similar energy to Illuminati’s Lumeggio di Rosso, it has a longer and more enticing finish. Similar to Illuminati’s other Montepulciano wines, it’s a delight to drink now.”
